

June 1, 2006

Dear friends,

We wanted you to know the exciting changes that have taken place in our ministry.

When we first began our ministry in 2002 we desired that it would be named something other than Rex & Lois Burgher Ministries. In hindsight we can see that God was taking us on a four year journey of discovering what the heart of our ministry was to be before we could choose another name.

Kingdom Life Ministry describes our hearts desire that each one of us live fully the life available to us through the Holy Spirit. We are very excited about the next season of ministry that the Lord is taking us into. We ask that you would explore our web site [[www.klifemin.org](http://www.klifemin.org)] and see for yourselves what God is doing in and through our ministry.

Our heart is to see the church become actively involved by getting people out of the pews and into the streets. We are doing this by providing a place where you can learn how to connect with and minister with the nameless and faceless of this country.

Quite a few people in the past few years have asked us if we would consider leading a ministry team to a foreign country. We are in the process of putting together such an opportunity to minister in the cities and towns throughout the Ukrainian countryside, and can foresee other nations opening up as well.

We will continue to make every effort to go to the smaller churches where God has opened doors for us to enter to bring and impart that which He has graced us with.

Next month, we will share with you our new formatted Newsletter that you will continue to receive monthly.

For you, our close friends, this will give you a chance to update the changes into your address book, for your convenience we have included our ministry cards with the pertinent information. For those of you who have told us of your intention to financially support our ministry and have not started as of yet, we would appreciate it if you would take the time, right now, to pray about committing to monthly supporting the work we are involved in as we greatly need support as we enter this new phase. You can either continue to make your checks out to Rex & Lois Burgher Ministry or switch over to Kingdom Life Ministry.

If you have any questions please email, phone or write to us and we will be honored to answer any and all questions you may have.

Sincerely,

Kingdom Life Ministries
